

Privacy Policy for Retreat Attendees

Last Updated: October 2026

1. Introduction

This Privacy Policy explains how we collect, use, store, and protect your personal data when you book a retreat with us via our Wix submission form. We act as the Data Controller under the General Data Protection Regulation (GDPR).

2. Data We Collect

To ensure your safety and fulfill logistical requirements, we collect: Name, email address, dietary requirements (which may reveal health or religious beliefs), medical conditions/allergies, emergency contact information, and travel insurance details.

3. Legal Basis for Processing

We process standard data to fulfill our contract with you or respond to inquiries. We process sensitive 'Special Category' data (medical and dietary) strictly based on your **explicit consent**, which you grant by ticking the consent box on our form.

4. How We Protect Your Data (Spreadsheet Security)

Data collected via Wix is strictly protected. For operational use at the retreat, data may be downloaded into a spreadsheet. This file will be password-encrypted, stored only on a secure device, and never left unattended. Only authorized organizers have access.

5. Data Retention

We do not store your sensitive medical or insurance data indefinitely. All physical copies or downloaded spreadsheets containing health or insurance details will be securely destroyed or permanently deleted within 30 days of the retreat's conclusion.

6. Your Rights

Under the GDPR, you have the right to access your data, rectify inaccuracies, request erasure ('the right to be forgotten'), or withdraw your consent at any time. Contact us directly to exercise these rights.
